Midtown Spectrum Brings State Of The Art, High End, Full-Service Executive Suites to The High Desert

Victorville, California, 6-24-09 – Midtown Executive, a high-class full-service executive suites concept catering to the small business owners of the Victorville area will open for business September 1st, 2009, but you won't have to wait that long to get a sneak peak. Residents of the Victorville community are invited to a special Grand-Opening ceremony to tour the new facilities, enjoy a drink, participate in some free-prize giveaways, chat with fellow residents, as well as qualify for one-day-only special memberships and rates for both the Gym and Executive Suites. The Midtown Executive will be an all-inclusive office-suite service that will provide all amenities and services at one flat-rate. Services include & are not limited to; furniture, telephone, receptionist, voice-mail, gourmet tea & coffee, copy room, conference room, break room, utilities, & janitorial service. Special rates are available now till June 30th.

Midtown Spectrum is a mixed-use development built in 2007 to create a synergetic environment of complimentary office, retail, and food services in a developing hub of Victorville. With the expansion of the Anytime Fitness Gym and Grand-Opening of The Midtown Executive, as well as new tenant leases Zeus Juice (*Smoothie & Yogurt*) & Veterans Affairs (*Services for High-Desert Veterans*), Midtown Spectrum is one step closer to this goal. The project is now 75% occupied. A food-court in the south-west portion of the project directly adjacent to WinCo Foods is slated to begin construction in early 2010.

Midtown Spectrum will be hosting a mixer for the Victorville community at their grand-opening ceremony on June 30th, 5pm. Drinks will be served, prizes raffled, and special one-day-only rates offered. For additional information on the Grand Opening, contact Dean Aynechi or visit www.midtownspectrum.com. To inquire about the special one-day-only rates offered for The Midtown Executive, contact Dean Aynechi @ 949-552-9927.

ABOUT MIDTOWN SPECTRUM – Midtown Spectrum LLC is a commercial development & property management company that has developed and leased the Midtown Spectrum project located at 15095 Amargosa Road. The company is dedicated to diligence, quality, and measured growth as it strives to balance the demands of consumers in a tough economic climate. They are headquartered in Irvine, CA.
